

Have you suffered a concussion or brain injury within the last 5 years?

If so, please consider participating in a research study at the **Rehabilitation Institute of Chicago**, designed to test the effectiveness of **acupuncture** in treating **insomnia**.

You would come to our campus (345 E. Superior St., Chicago) for clinic visits, and you will receive **\$75.00** for your participation.

If interested, please call 312-238-0724.

This study is made possible by a grant from the United States Department of Defense.
