

Traumatic Brain Injury Quality of Life Project

The Rehabilitation Institute of Chicago is looking for people with a traumatic brain injury to participate in an important quality of life study. Participation will involve completing several questionnaires in an interview format.

If you are interested in participating please contact Kyle Seanor at (312) 238-2858.

Participants must meet the following criteria:

- At least 18 years of age
- Have had a traumatic brain injury
- Read and speak English

Participants will be compensated progressively for each round of completed interviews.

IRB Project # STU00010811

Principal Investigator: Allen W. Heinemann, PhD

The Rehabilitation Institute of Chicago is an academic affiliate of Northwestern University Feinberg School of Medicine
